Sir:

COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

In response to the Notice of Allowance dated March 11, 2005, Applicant provides the following in response to the Statement of Reasons For Allowance:

The Examiner noted in the Notice of Allowability that claims 1-18 have been allowed in the application, however, the application was filed with claims 1-20. In a telephone conference on June 9, 2005 with Examiner Simon D. Nguyen, Applicant was informed that claims 1-20 are allowed in this application and that the error in the number of claims allowed listed on the Notice of Allowability was inaccurate. The Examiner noted that he will be mailing a corrected Notice of Allowability which lists the allowed claims as 1-20.

Applicant believes that the claims and description of the invention are adequately described and set forth in the specification such that Applicant claimed invention, and terms and features described therein, are readily understood by those of ordinary skill in the art as set forth in the allowed claims.
